Dear Mr. Sanford Walker

Thank you for your letter. I too
am an "amateur" historian - my
main interest is social history.
I should be very pleased if you
arrange to publish "The Two
Congresses" - depending on how
much money you receive, I would
like to share it between the
Charlton Society, our local
Hospital & local Queen Victoria
Hospital.

I apologise for the "scribble" but
my computer has developed
some sort of "bug" & the chap
who always sorts it out is
on a short holiday.

I appreciate you contacting me
& hope all will go well
for you.

Sincerely

Sean Smith
